

### **Notification of Source of Distributions**

Pursuant to Rule 19a-1 of the Investment Company Act of 1940

As noted in the table provided below, certain of the Principal Funds made distributions for the month of September for which a portion is estimated to be in excess of the fund's current and accumulated net income. As of September 30, 2011, the estimated sources of these distributions were as follows:

| <b>Fund</b>                         | <b>Net Income</b> | <b>Realized Gain</b> | <b>Capital Sources</b> |
|-------------------------------------|-------------------|----------------------|------------------------|
| Government & High Quality Bond Fund | 49.32%            | 0.00%                | 50.68%                 |
| High Yield Fund                     | 63.69             | 36.31                | 0.00                   |
| Income Fund                         | 0.00              | 0.00                 | 100.00                 |
| Short-Term Income Fund              | 48.66             | 0.00                 | 51.34                  |

The ultimate composition of these distributions may vary from the estimates provided above due to a variety of factors including future income and expenses, and realized gains and losses from the purchase and sale of securities.
